Just a Heads Up...

There is a jump from hole 9 over to 10. Just follow the park road behind hole 9's basket to the right. The tee pad will be along the back fence straight across the parking lot from the porta potty near the softball diamond. Alcohol is allowed in this park under 2 conditions: first you are not 250' of the river (which you won't be if you stay on the course), and 2 no glass is allowed. This is now a non-smoking course with only 1 designated smoking area that is over on holes 1 and 2.
